Does your melamine really look like porcelain?

Quality Melamine from Primeware has the most amazingly successful range of virtually unbreakable dishes bowls and platters for your cold display:

- Platters – Square, oblong and GN sizing with raised lids
- Bowls – Square, round, oblong, and oval with lids... triple bowls
- Extra-large oval, round & square platters
- Plates & bowls, mugs, cups & saucers
- Gastronorm Dishes with lids

Paul Quinn, Executive Chef at London Heathrow Marriott Hotel says ,
'We use the medium and large square Quality Melamine bowls for our breakfast buffet and are very impressed with their durability, shine and value. I would highly recommend them.'

Primeware has a fabulous showroom in W4 stocked with a wide range of products for hot and cold buffets and counter displays.
